my name is charlie chucky i am in the sixth grade i play soccer and i am the son of an international super spy on wednesday a group of ninjas attacked and captured all the world s super spies luckily i was able to escape but i couldn t find anyone to help beat the ninjas so the world is about to be taken over by ninjas but not if i can help it this story is a funny adventure that is engaging for children middle school students and grown ups

let the battles begin way of the warrior takes readers into the fray with history s most valiant and infamous soldiers for a close look at warriors through the ages

ninja truths and myths volume ii revised updated and expanded the sequel featuring new information on the original version all the fascinating information from the first ninja truths myths book has been combined here with brand new data making for one compelling and comprehensive volume on these ancient mystical warriors the ultimate ninja reference includes a guide to popular ninja movies books illustrations depicting various equipment they utilized plus learn facts about real ninjas who actually existed such as the famed hattori hanzo a trivia quiz and much more unmasking the men in black while separating fact from fiction so whatever you thought about ninjas might be wrong who were the real ninjas ninjas are often portrayed in modern culture as cold blooded assassins garbed in black and armed with samurai swords throwing stars and nunchuks who appear out of nowhere from the dark to eliminate their chosen victims without mercy then disappear into the night in a cloud of smoke these agents are even said to possess magical powers which include invisibility and walking on water along with exhibiting such dazzling physical skills that they could easily rank as world class athletes in competitions such as track and field or else gymnastics you even hear tongue in cheek statements in film such as only a ninja can kill another ninja that kind of hoopla might be fine for entertaining the younger audiences who love their super hero comic books video games and teenage ninja turtle flicks but what about the adult crowd like the author who prefers a good dose of historical accuracy in their movies books etc after all you have probably heard the saying that truth is stranger than fiction the author became fascinated with ninjas back in the decade of the 1980 s when the ninja craze in america had reached its peak ever since then i have set about consuming every book article and documentary i could feast my eyes upon what he discovered about ninjas was actually quite surprising their reputation has been highly dramatized by misconception and the popular media now i d like to share with you what i ve learned in this book he will uncover many of the legends and myths surrounding ninjas while explaining who they really were and how they actually operated discover the shocking truth about ninjas

in graphic novel format tells several tales of prominent ninja warriors from history and describes the training weapons armor and battle tactics used by them
